BIBLE STUDIES FOR LIFE – where the Bible meets
life Wednesdays: August 30, 2017 – May 30, 2018
6:45-8:00pm

What is Bible Studies for Life?

Bible Studies for Life teaches kids how to seek and connect with the God of the Bible. They'll grow to understand the truth through Scripture, that He is real and relevant to their everyday lives. Learning to know and see God as the Great I Am, not some fictional character they can take or leave. They will also be challenged each week to apply those truths to their lives.

We are excited to begin another year. It is our prayer that through the relationships that are formed and the Bible lessons learned that each child will come to know Jesus Christ as their personal Savior.

The children will also be learning about outreach and participating in projects serving our community. All grades will serve and show love by working on projects on campus that will be donated to organizations such as the VA hospital and SB Mission. In the spring, all children and their families are invited to join our Pathway Team for the Hunger Walk. 5th graders will have the opportunity to go on field trips for local outreach projects, such as helping serve meals and filling food boxes. In the Fall, 5th graders are invited to GO on a mission trip to WOW Jam which is in Whittier CA (additional cost for this outreach opportunity).

How Do I Get My Child Involved?

Fill out this Registration form (one per student please), and turn it in at the Kids Worship Center or the church office. If you have any questions, please contact Amanda Carney, 793-2448 ext. 138 or 289-6940 or acarney@pathwayonline.com.

Name _____ Grade _____
Gender _____ Age _____ Birthday _____
Parents (Guardian) Name _____
Address _____ City _____ Zip _____
